

# eBRAM “.HK” AND “香港”

## DOMAIN NAME DISPUTES

Powered by eBRAM LawTech

### Fast and Efficient

Automated workflows and case management ensure swift proceedings

### Cost-Effective

digital-first approach reduces expenses without compromising on quality

### Local Expertise, Global Standards

Panel of certified experts specializing in domain name disputes.

### Anytime, Anywhere

File claims, submit evidence, or attend hearings remotely.

You have a  
“.hk” website

Your website is  
hacked and  
incurred losses

You need to find  
expert to settle  
the dispute

eBRAM will  
appoint panelists  
from this panel for  
domain name  
disputes

Settle the dispute  
with panel's  
decision
