III. Stages of Proceedings

6 Article 6 - Negotiation Stage

6.1 If the response does not include a counterclaim, the negotiation stage shall commence upon communication of the response to eBRAM and notification thereof to the Claimant. If the response does include a counterclaim, the negotiation stage shall commence upon the Claimant's communication of the response to that counterclaim and notification thereof to the Respondent, or after the expiration of the response period set out in Article 5.5, whichever is earlier.

The parties shall notify eBRAM of their agreed choice of the Neutral through the eBRAM Platform. eBRAM shall appoint the Neutral as the Mediator and inform the parties of the deadline for the expiry of the mediation stage. Should the parties fail to agree on such appointment within three (3) calendar days, eBRAM shall appoint the Neutral in accordance with Article 11 from outside of the list, and notify the parties of:

(a) the appointment of the Mediator, and

(b) the deadline for the expiry of the mediation stage of the Proceedings under Article 7.3.

7.2 Following the appointment, the Mediator shall communicate with the parties through the eBRAM Platform to attempt to reach a settlement agreement. Once a settlement agreement is reached, the mediated settlement agreement shall be signed and executed electronically by the parties on the eBRAM Platform. Should any party require an original signed copy of the mediated settlement agreement certified by eBRAM, this will be couriered to that party upon receipt by eBRAM of an online request communicated via the eBRAM Platform.

7.3 If the parties have not settled their dispute by mediation within three (3) calendar days of being notified of the appointment of the Mediator under Article 7.1, the Proceedings shall move to the final (arbitration) stage of Proceedings pursuant to Article 8 PROVIDED THAT if the subject matter of the dispute is not arbitrable according to the laws of the seat of the Proceedings, the parties may elect to terminate the Proceedings, and if the parties fail to agree on the arbitrability of the dispute, the Proceedings shall nonetheless proceed to the arbitration stage, and the issue shall be determined by the Neutral appointed to conduct the arbitration pursuant to Article 8.1 below.
8. Article 8 - Arbitration Stage

8.1 Upon the case moving to the arbitration stage of the Proceedings, eBRAM shall generate a list of five (5) names for the parties to choose from to act as arbitrator for the further conduct of the Proceedings. The parties shall notify eBRAM of their agreed choice of the Neutral through the eBRAM Platform. eBRAM shall appoint the Neutral as the Arbitrator and inform the parties of such appointment. Should the parties fail to agree on such appointment within three (3) calendar days of the commencement of the arbitration stage of the Proceedings, eBRAM shall appoint a Neutral to act as Arbitrator to conduct the Proceedings at the arbitration stage in accordance with Article 11 from outside of that list.

8.2 Upon appointment of the Arbitrator under Article 8.1, the Arbitrator shall proceed to communicate a deadline to the parties by which all Communications and submissions shall be made. Such deadline shall be no later than one (1) calendar month from the appointment of the Arbitrator.

8.3 Each party shall have the burden of proving the facts relied on to support its claim or defence.

8.4 The Neutral shall resolve the dispute based on the information submitted by the parties and shall render an award. The Neutral shall have jurisdiction to decide on the tribunal’s jurisdiction and on the arbitrability of the dispute. Electronic copy of the award shall be uploaded to the eBRAM Platform.

8.5 The award shall be made in writing and signed by the Neutral and shall indicate the date on which it was made and the seat of arbitration.

8.6 The requirement in Article 8.5 for:

(a) the award to be in writing shall be met where the information contained in the award is accessible so as to be usable for subsequent reference; and

(b) the award to be signed shall be met where data can be used to identify the Neutral and to indicate his or her approval of the information contained in the award.

8.7 The award shall state brief reasons upon which the award is based.

8.8 The award shall be rendered within seven (7) calendar days from the filing of the last submission.

8.9 The award shall be final and binding on the parties. The parties shall carry out the award without delay.

8.10 An award may be made public with the consent of all parties or, where and to the extent disclosure is required of a party by legal duty, to protect or pursue a legal right or, in relation to legal proceedings before a court or other competent authority.

8.11 Should any party require an original signed paper copy of arbitral award, this will be couriered to the party upon receipt by eBRAM of an online request communicated via the eBRAM Platform.

8.12 In all cases the Neutral shall make an award in accordance with the terms of the contract in dispute (if any), taking into account any relevant facts, circumstances and the usage of trade or industrial practice applicable to the dispute, if any.
8.13 The Neutral shall apply the rules of law designated by the parties as applicable to the substance of the dispute. Failing such designation, the Neutral shall apply the law which it determines to be appropriate.

8.14 The Neutral shall decide as amiable compositeur or *ex aequo et bono*, only if the parties have expressly authorized the Neutral to do so.

9 **Article 9 - Correction of award**

9.1 Within five (5) calendar days after the uploading of the award, a party, with notice to the other party, may, through the eBRAM Platform, request the Neutral to correct in the award any error in computation, any clerical or typographical error, or any error or omission of a similar nature. If the Neutral considers that the request is justified, he or she shall make the correction including a brief statement of reasons therefor, within two (2) calendar days of receipt of the request. Such corrections shall be uploaded on the eBRAM Platform and shall form part of the award.

9.2 The Neutral may, within five (5) calendar days after uploading the award to the eBRAM Platform, make such corrections on its own initiative.

10 **Article 10 - Settlement**

If settlement is reached at any stage of the Proceedings, the terms of such settlement shall be uploaded to the eBRAM Platform, at which point the Proceedings shall automatically terminate. The Neutral may, if considered necessary, draw up a mediated settlement agreement for signature by the parties or an award by consent (as the case may be) for the purpose of enforcement.

IV. **Appointment, Powers, and Functions of the Neutral**

11 **Article 11 - Appointment of Neutral**

11.1 For each stage of the Proceedings, the number of Neutral to be appointed shall be one.

11.2 eBRAM shall appoint the Neutral promptly upon commencement of each of the mediation stage and arbitration stage of the Proceedings. Upon appointment of the Neutral, eBRAM shall promptly notify the parties of the name of the Neutral and any other relevant or identifying information in relation to that Neutral in addition to the matters referred to in Article 7.1 above.

11.3 In appointing a Neutral, eBRAM shall consider the need for the Neutral to be independent and impartial of the parties and representatives.

11.4 The Neutral, by accepting appointment, confirms that he or she can devote the time necessary to conduct the Proceedings diligently, efficiently and in accordance with the time limits in these Rules.

11.5 TheNeutral shall, at the time of accepting his or her appointment, make a declaration of his or her impartiality and independence substantially similar to the form set out in the Annex hereto.

11.6 The Neutral, from the time of his or her appointment and throughout the Proceedings shall, without delay, disclose to eBRAM any circumstances likely to give rise to justifiable doubts as to his or her impartiality or independence. eBRAM shall promptly communicate such information to the parties.
Either party may object to the Neutral's appointment within two (2) calendar days:

(a) of the notification of the appointment without giving reasons therefor, unless such appointment was made in accordance with the parties' agreement on the choice of Neutral, in which case the parties may not raise any objection to the Neutral's appointment; or

(b) of a fact or matter coming to its attention that is likely to give rise to justifiable doubts as to the impartiality or independence of the Neutral, setting out the fact or matter giving rise to such doubts at any time during the Proceedings.

If no challenges are made pursuant to Article 11.7, the appointment shall become final.

Where a party objects to the appointment of a Neutral under Article 11.7(a), that Neutral shall be automatically disqualified and another appointed in his or her place by eBRAM. Each party shall have a maximum of three (3) challenges to the appointment of a Neutral pursuant to Article 11.7(a), following which the appointment of a Neutral by eBRAM shall be final, subject to Article 11.7(b).

Where a party objects to the appointment of a Neutral under Article 11.7(b), eBRAM shall make a determination within three (3) calendar days on whether a Neutral shall be replaced. A determination by eBRAM under this Article shall be final.

Either party may object, within three (3) calendar days of the final appointment of the Neutral, to the provision by eBRAM to the Neutral of information generated during the negotiation stage of the Proceedings. Following the expiration of this three (3) day period, and in the absence of any objections, eBRAM shall convey a complete set of existing information on the eBRAM Platform to the Neutral.

If the Neutral resigns or otherwise has to be replaced during the course of the Proceedings, eBRAM shall appoint another Neutral to replace him or her pursuant to Article 11. The Proceedings shall resume at the stage where the replaced Neutral ceased to perform his or her functions.

Subject to the Rules, the Neutral may conduct the Proceedings in such manner as he or she considers appropriate.

The Neutral, in exercising his or her functions under the Rules, shall conduct the Proceedings so as to avoid unnecessary delay and expense and to provide a fair, efficient and cost-effective process for resolving the dispute. In doing so, the Neutral shall remain at all times wholly independent and impartial and shall treat both parties equally.

Subject to any objections under Article 11.11, the Neutral shall conduct the Proceedings on the basis of all Communications made during the Proceedings, the relevance of which shall be determined by the Neutral. The Proceedings shall be conducted on the basis of these materials only, unless the Neutral decides otherwise.

Subject to Article 13.2, at any time during the Proceedings the Neutral may request or allow the parties (upon such terms as to costs and otherwise as the Neutral shall determine) to provide additional information, produce documents, exhibits or other evidence within such period of time as the Neutral shall determine.
13.5 The Neutral shall have the power to rule on his or her own jurisdiction, including any objections with respect to the existence or validity of any agreement to refer the dispute to eBRAM.

13.6 The Neutral, after making such inquiries as he or she may deem necessary, may, in his or her discretion, extend any deadlines under these Rules.
